He says he will waive extradihaps more for founding a library at Ber- tion lin, the first gift that Mr. Carnegie has made to the German people. It is said that the first gift of \$1,000,000 will be small compared to what will follow later. Mr. and Mrs. Carnegie will leave Skibo Castle the first of the week for Kiel, where they will be the guests of Amwill meet the Emperor and Empress, and during one of the meetings the gift will

### Gift Long Contemplated.

That Mr. Carnegie has contemplated making a gift to the German people has been known in Pittsburg since the last visit of the steel king to this city. For years he has had a most profound adpublicly gave evidence during the dedication of the Carnegie Institute in this city on April 12. At that time Mr. Carnegie declared that Emperor William was or of the greatest men the world had even known, and predicted that he would wield a vast influence in the world's affairs.

Germany was the one country which seemed to fully appreciate Mr. Carnegie's gift to Pitisburg. On that occasion the German empire was represented by Theo-dore von Moeller, minister of state; Lieut. Gen. Alfred von Lowenfeld, adjutant gen-eral of the Emperor; Ernest von Inne, court architect to the Emperor, and a number of the most prominent educators

### Guests Pleased Carnegle.

Mr. Carnegie was immensely pleased Lowenfeld cabled to the Emperor telling him of the success of the dedication.

man people is what he referred to. It is impossible to secure any additional information regarding the proposed gift here, and Mr. Carnegle desires this gen-erosity to the Germans to come to them were near the Secretary when he col-
